

BASIC COSTUMES 2008

Parents are responsible for providing the items listed below (most are things you probably already have ☺). All other parts of the costume will be provided by me. Hair can be worn however you like as long as it is NEAT and off the face. Also children should wear light makeup for the stage. I will be asking some of you for different items in April so that I can stud them etc...Please call 843.367.8870 with any questions.

Thanks!
