

IT'S TIME TO SMILE!

Hi Everyone,

Dance pictures will be taken Thursday May 15, 2008, from beginning at 5:00 pm following your child's dress rehearsal.

I will be using an online service that will allow you to choose as well as order your child's pictures. Please be prepared to provide me with an email address so that I may send you your personal online access information after your child's photos have been uploaded. The online site will accept most major credit cards. You will find the information I need at the bottom of this page. Please fill it out and return to Jessica, Annie, Julie or Maegan as soon as possible so I can log your information in. Please be assured I will only contact you regarding Dance Moves pictures for your child exclusively. I am excited to offer this service to you.

Individual pictures will be taken following the dance team photo. We would like for all children to be included in the team picture so please make arrangements for all dancers to be in the picture.

Thank you for giving me the opportunity to serve you! If you have any questions please don't hesitate to call, 795-6725 or 327-5892.

Remember *Don't Blink!*

Dear Parents,

Please be sure to send in your e-mail address. I will be using this to send you information on how to access the on-line site where you will order and purchase your child's photo package. The information I send to you via e-mail will contain a link to the site and step by step instructions.

Thanks!
